LONDON 2012 doesn't mean just Olympic and Paralympic sports. In addition to the sport, there's been a whole programme of cultural and arts events celebrating London's diversity and its status as one of the great capitals of the world. I've been here for a short time and the place is buzzing. But it was buzzing even more, and with an African beat and African colour, when the city hosted the Africa Fashion Week London 2012 in the east end's Old Spitalfield's Market.
